FOR IMMEDIATE RELEASE

Eastbound Interstate 80 near Eastbound Highway 12 Interchange Full Overnight Closure on I-80, November 5th and 6th

SOLANO COUNTY – The California Department of Transportation (Caltrans) will install the remaining two new overhead signs relevant to the recently opened new Interstate 80 Eastbound Cordelia Truck Scales and new I-80/Highway 12 interchange configuration in Fairfield.

To ensure worker and public safety, two nights of full overnight highway closures on eastbound I-80 are scheduled. The first closure will be effect on Tuesday, November 5th beginning at 12:01 a.m. until 4 a.m. The second closure will be on Wednesday, November 6th at 12:01 a.m. until 4 a.m.

Both closures will be on eastbound I-80 in Fairfield, just west of the eastbound I-80 exit to eastbound Highway 12.

Eastbound I-80 Detour in Fairfield:

During the overnight highway closure, exits to highway 12 eastbound and Abernathy Road will not be accessible. Eastbound I-80 motorists will be detoured onto the new eastbound Truck Scale Exit. From the Truck Scale, there are signs which will direct motorists to I-80 eastbound, Highway 12 eastbound or the Chadbourne Road exit.

The California Highway Patrol (CHP) and flaggers will help direct motorists. Caltrans will also install changeable message signs. Motorists should allow for extra travel time.

All work is weather permitting. Caltrans appreciates your patience as we work to maintain and improve the highways.
